★ Emerald Park ★

On the 9th of June, sixth class embarked on their much anticipated school tour to Emerald Park for a fun-filled day of excitement, adventure, and thrill-seeking rides.

Despite the early 6:00 a.m. start, all of the children arrived promptly, bright-eyed and eager for the day ahead. After travelling to Dublin, we boarded a double-decker bus to Emerald Park, where they were warmly welcomed by the fantastic facilitators and staff.

The children enjoyed exploring the park and making the most of the many attractions on offer. Some of the group's favourite rides included Cú Chulainn, Dino Dash, The Viking Voyage, and The Rotator. There were plenty of smiles, laughter, and memorable moments throughout the day.

The children were also treated to a delicious hot lunch, which provided a welcome opportunity to relax and recharge before more adventures in the afternoon.

The Sixth Class team were incredibly proud of how well the children represented our school throughout the trip. They displayed excellent behaviour, respect, and responsibility at all times, making the day enjoyable for everyone involved.

It was a wonderful way to celebrate their final weeks in primary school and create lasting memories with their classmates and teachers.

THANK YOU!

A huge thank you to all the teachers and staff who organised and accompanied the tours. Your time, care and dedication made these special days possible!

Retirement

This June, two of our long-serving staff members will retire, Ger Lynch, a teacher, and Eileen O' Mahony, an SNA. They have given outstanding service and dedication to our school community over the years and will be greatly missed. We thank them sincerely for all they have contributed and wish them both every happiness and success in their retirement.

5th Class Drama Classes

This past term, our 5th classes have been doing drama classes with Ciara and Jessica in the West End House School of Arts. They have been developing their creative art and acting skills and building their confidence in performing.

The Garda Cup

This annual competition took place in the Fitzgerald stadium on Monday 15th June with over 25/30 school teams taking part. It was as always a fantastically well organised competition and we are grateful to Eddie Walsh and all of the Killarney Gardaí who put so much work into it.

Sensory Garden

Our Sensory Garden was officially opened by Fr. Vitalis. It will be a great addition to our school. Thanks to all involved in creating this amazing space.

The 6th Class Bake Sale and Dunking event raised valuable funds towards a Memory Chair and the planting of a tree in memory of the late Martina, a much-loved member of staff whose contribution to our school community will always be remembered. Thank you to everyone who supported this fun and worthwhile fundraiser.

Tommy Galvin Pitch and Putt Competition

This annual school's competition took place in Deerpark Pitch & Putt Course on Monday 8th June with a huge number taking part. We have been very successful in the teams competition in recent years but Lissivigeen took the honours with a very strong team. Congratulations to Addisio Mulcahy in 5th class won the best individual girl's score. Thanks to Noel O' Sullivan who organises this competition each year and thanks to Tommy for being there on the day. All the schools enjoyed their day out.
